MOPA 2026

JUNE 5-6, 2026 | WEBSTER UNIVERSITY

CE PROCESS

Follow these steps to earn CE credit for the sessions you attend at the MOPA 2026 Conference.

1 COMPLETE AN EVALUATION FOR EACH SESSION ATTENDED

Each conference session has its own CE evaluation form. You may access evaluations in either of these ways:

- Scan the QR code displayed in the session room and printed in the program
- Click the evaluation button/link in the online conference schedule

Completion of the session evaluation serves as verification of attendance for CE purposes.

2 NO SESSION SIGN-IN OR SIGN-OUT REQUIRED THIS YEAR

MOPA will not require traditional sign-in or sign-out sheets for individual sessions this year.

By submitting a session evaluation, you are verifying that:

- You attended the session in its entirety
- You participated in the educational activity for the full session duration
- You are requesting CE credit only for sessions fully attended

3 IMPORTANT REMINDER

You must complete an evaluation form for each individual session for which you are requesting CE credit.

Example: Attended 4 sessions = Complete 4 evaluations

4 BACKUP ATTENDANCE VERIFICATION

As a backup attendance record, please:

- Circle the sessions you attended on your conference **"Report Card"**
- **Turn the completed Report Card in to Emily at the Registration Table before leaving the conference**

This helps ensure accurate CE documentation if there are any issues with online submissions.

5 PREFER PAPER FORMS?

Traditional paper CE evaluation forms will also be available at the Registration Table throughout the conference.

If you prefer paper forms instead of QR codes or online submissions, simply ask Emily for a printed evaluation form.

6 CE CERTIFICATES

CE certificates will be issued after attendance verification and evaluation completion have been confirmed.

Please allow time following the conference for processing and distribution.
