All products, services and organizations exhibited must be directly related to the practice and advancement of psychology and the education of the MOPA attendees. MOPA has the right to withhold approval of exhibitor’s products and services that in its judgment do not further the educational, scientific or practice needs of its members and attendees. At the request of MOPA, an exhibitor shall remove any product or service included in the display for which approval has not been given. Applications from exhibitors who have balances due to MOPA and its contractors or partners will not be processed without full payment of delinquent accounts.
